## ETCETERA

I've been an integral part of operations for a variety of companies in a variety of industries throughout my professional career. I love working with varied groups of people in an effort to efficiently achieve an organization's goals. Prior to working in operations, I worked in many hospitality positions from being a bell hop at the Trapp Family Lodge in Vermont to waiting tables on Long Beach Island in New Jersey, my home state.

My family purchased 2101 and 2102 last year and my wife and I have been to the Palms several times since. We even adopted a PotCake! I am impressed with the grounds, food and staff here at the Palms and hope to join the Strata Board and be a small part of the Palms continued success.

I humbly submit my request to become a member of the Strata Board at the Palms.
