

I have been an owner since 2006, and have been aware of the many changes that have transpired. I also have been fortunate enough to know many of the staff over the years. I have traveled extensively worldwide, and have stayed at many five star resorts. I remember when the Palms was almost at that level. In addition to my 45 year surgical practice, and obtaining my MBA, I have been involved in several real estate ventures, including vacation resorts. Being retired, I now have the time, and would like to be actively involved in the future of the Palms. I would be willing to devote the necessary time to actively participate.

Sincerely,
Robert T Brown, MD,MBA.
